

Annual Report 2021-22

A school is not only a place where children get education but also a temple where all round development of a child take place. This is why, apart from Academics other co-curricular knowledge is imparted so that a child, who is considered as a bud, turns into a flower.

We saw that the Academic Year 2021—2022 began under the shade of the Pandemic due to which the children were virtually educated. Teachers, and other members, not only took care of protection and safety but knowledge was imparted with great enthusiasm and activeness.

Mt Litera Zee School Ahmedabad has a vision to provide the best to students. The teachers of the organisation are so skilful and experienced that they had created an enormous atmosphere in their virtual class during the pandemic condition. The students did not lose interest and it was seen that they waited before the time of the lecture which showed the interest and curiosity of the students to learn something which encouraged the Educators to give better.

The session 2021-22 began in the lap of the covid Pandemic with the virtual classes and the teachers took the lectures from their homes and school.

As the month of May was summer vacation, so when the school reopened in the month of June. The computer and mobile screens began to be brighter as the virtual classes began again.

It is said that “God made mother as he cannot be everywhere to take care of all.”

The Session began with the celebration of **Mother’s day**.
